### THE LATEST.

Truly and Handsomely Said.

National Associated Press to the Star.

**NEW YORK, Oct. 14.**—The Graphic to-day  
contains an excellent likeness of Dr. Nor-  
vin Green, the newly elected President of  
the Western Union Telegraph Company,  
and also published a brief sketch of his  
official career, in which it refers to his long  
executive position in the telegraph busi-  
ness, his familiarity with the law and with  
State and national legislation, and says  
that no better selection for the presidency  
of the Western Union Company could have  
been made. He combines fine culture and  
the strongest administrative ability and  
sagacity in business and in private life is  
genial and winning.

### In Brief.

National Associated Press to the Star.

**NEW YORK, Oct. 14.**—Richard T. Harrison,  
an attendant at the Insane Asylum, on

land, Ex-Mayor of this city, died here yester-  
day.

**NEW YORK, Oct. 14.**—Justus Schwab, the  
Communist, was arrested last night for sell-  
ing beer. Oscar Hauser, one of Schwab's

rested. He fought like a tiger, and it took  
four men to overpower him.

**JERSEY CITY, Oct. 14.**—Mrs. Jennie R.  
Smith, indicted in the first degree for the  
murder of her husband, Officer Smith, was  
arraigned to-day in the Court of Oyer and  
Terminer and pleaded not guilty, when she  
was remanded for trial. She broke out in a  
loud wail as she rose to leave the Court-  
room. D. Bennett, her alleged accomplice,  
was held as a witness.

**TAMPA, PA., Oct. 14.**—The First National  
Bank of this city suspended pay-  
ments this morning. Assets over \$150,000.  
Liabilities unknown. The suspension  
causes the greatest excitement throughout  
this region, as the bank was always sup-  
posed to be a strong institution. The failure  
is caused by the suspension of Charles  
Shomer, an extensive iron manufacturer in  
Philadelphia, who owns five-eighths of the  
bank stock.

### CRIME AND CALAMITY.

National Associated Press to the Star.

AN IMPUDENT BANK CASHIER.

**CHICAGO, Oct. 14.**—George Hazard, cashier  
of the Auburn Indiana Bank, who was ar-  
rested here a short time since for embezzle-  
ment, but for some reason managed to elude  
justice and made his way to Nebraska, re-  
turned here yesterday to meet the President  
and other officers of the bank for settlement.  
They have had the books in the hands of the  
bank examined and found that Hazard had  
borrowed money from the bank to the  
amount of \$20,000 and did not return it.  
At a meeting here yesterday he was im-  
pudent and refused to settle, when he was  
locked up in jail.

**A LYNCHER BECOMES INSANE.**  
**NEW HAVEN, CT., Oct. 14.**—Edgar Free-  
man, the negro who was almost killed by  
lynchers in Ansonia, the other day, was  
taken from the jail in this city to that place  
yesterday for a hearing. On the way and  
while in Ansonia he cried most piteously,  
through fear that the mob would again get  
hold of him; but there was no demonstra-  
tion, and those who attended the hearing  
and followed the officers were as orderly as  
could be desired. Freeman was in Ansonia  
only a short time, for he waived a hearing  
and was bound over in \$5,000 bail, and in  
default of which he was at once returned  
to jail in this city. He is slowly recovering  
from his injuries. No steps have been  
taken toward the arrest of any of the lynchers.  
One of the ringleaders has become  
insane.

country has been burned over and a great  
amount of damage done to farms.

**EDENBURG, PA., DESTROYED BY FIRE.**  
**EDENBURG, PA., Oct. 14.**—A fire broke out  
at half past three yesterday morning, near Wil-  
bur's livery stable, and spread with alarm-  
ing rapidity. The firemen were unable to  
combat it successfully owing to the inade-  
quate supply of water, and the town was

and twenty-five buildings being burned.  
All our business men have lost their houses

### BORDER BLOOD.

National Associated Press to the Star.

THE RENEGADE RAIDERS.

**CHICAGO, Oct. 14.**—The following letter  
in regard to the border troubles has been  
forwarded, through Gen. Sheridan's head-  
quarters, to Washington:

**HEADQUARTERS FT. STANTON,**  
**NEW MEXICO, Sept. 29.**

The party of men styling themselves  
"wrestlers," made up of renegades from  
Texas principally, some of whom have been  
partisans of the leading factions here since I  
assumed command, have renewed their  
raiding with almost unparalleled vigor.  
Yesterday they attacked a party of laborers  
cutting hay near the ranch of Joseph E.  
Chaves, five miles below Fritz's farm, and  
without the least provocation killed three  
of the party, two of them sons of Mr.  
Chaves. None of these men have in any  
possible way been partisans or given their  
sympathy to either party. They stole what horses they could  
find and proceeded to another ranch,  
some fifteen miles further south, where  
they attacked another party of citizens,  
putting three balls into one man, mortally  
wounding one and badly wounding an-  
other. An express came in for surgical  
aid, and I sent Dr. Lyon. Mr. Kline, mail  
driver, says neither he nor the driver before  
him will make another trip without a mili-  
tary guard. I shall send one officer with  
twenty men to meet the broken link in the  
transit of the mail, with instructions to  
give the necessary protection, and in case  
it has been molested, to follow the trail of  
the robbers and either arrest or kill them,  
if possible. I have reliable information  
that the gang of which these are a part are  
from sixty to eighty strong, and are en-  
route here now from Seven Rivers and  
south of there. I respectfully ask if I may  
be allowed to use the forces at my command  
to drive these murderers, horse thieves and  
escaped convicts out of the country. The  
wives and daughters of quiet and good citi-  
zens are being daily insulted by these de-  
speradoes and are driven into the mountains,

hiding to save their lives, and this, too, al-  
most in sight of the garrison.

N. A. M. DUDLEY, Lt. Col.

**NOTHING WHOLE BUT THEIR SKINS.**  
**CAMP SHERIDAN, NEB., Oct. 14.**—Colonel  
Thornburgh's command returned Saturday.  
There is nothing whole about us but our  
skins. We saw signal fires north and south  
of us while en route from Snake River. We  
camped a little while on Clay Creek, three  
miles above Red Cloud's village. The ex-  
act cause of their dissatisfaction can not be  
learned. They declined all offers of hospi-  
tality and refused to come near the camp.  
Several hundred tribes are in sight and it is  
supposed all of Red Cloud's band is in  
camp and Red Cloud and the principal  
chiefs were to meet the officers here. No  
definite information has been received con-  
cerning the Cheyennes.

**WHAT THE CHEYENNES HAVE ACCOMPLISHED.**  
**LEAVENWORTH, Oct. 14.**—Companies D and  
E, of the Tenth Infantry, have re-  
turned from the West, and other Compa-  
nies of this Regiment who have been out  
to the Cheyennes are expected to be  
ordered back soon. The number of white  
settlers, ranchmen and herders, killed by  
the Indians during their sweep through the  
northwestern part of this State, is estima-  
ted at least seventy-five, many being  
killed who will doubtless never be heard  
from. Some twenty or thirty women were  
outaged and murdered by the red devils.

### HARTFORD HEARD FROM.

**A College Professor for Congress—A**  
**Dead Bishop and a Sick Vicar**  
**General.**

National Associated Press to the Star.

**HARTFORD, CONN., Oct. 14.**—A movement  
to run Prof. Sumner, of Yale College, who  
is a hard money Democrat, in the Second  
District, as a candidate for Congress against  
Phelps, a soft money Democrat, is not with-  
out some prospect of success if he will ac-  
cept the nomination. The Meriden Republi-  
can says it has assurances that over two  
hundred Democrats and Workingmen in  
that town alone would vote for Sumner as  
against Phelps. A union of all the hard  
money elements in the district would, un-  
der a good working organization, defeat the  
Greenback combination.

The Roman Catholics are making great  
preparations for the burial of Bishop Gal-  
berry next Tuesday. The remains are now  
in the chapel, exposed to view night and  
day, and thousands of persons have already  
viewed them.

The Vicar General, Father Walsh, of  
Meriden, who was reported dangerously ill,  
is much improved to-day, and will probably  
recover.

### The Storm in the East.

National Associated Press to the Star.

**BOSTON, MASS., Oct. 14.**—The storm here  
has been very severe, and a heavy gale has  
extended along the coast. No disasters have  
yet been reported.

**NEW BEDFORD, MASS., Oct. 14.**—The gale  
here Saturday was the worst for nine years.

ners at Nashville Saturday, and Lucy and

a family fight at his house in Pittsburg  
yesterday, and received a broken neck.

Twenty or more prisoners escaped from  
the Rochester jail yesterday by boring  
through the wall and scaling the inclosure.
